

COVID-19 Office Safety Precautions in Effect During the Pandemic

The Center for Family Wellness, PLLC, is taking the following precautions to protect our clients and staff, and help slow the spread of the coronavirus.

- Seating in the waiting room and in therapy offices has been arranged for appropriate physical distancing.
- Staff wear masks in public areas and maintain safe distancing.
- Clients are encouraged to wear masks.
- Hand sanitizer is available in the office, and hand washing is encouraged prior to each session in bathrooms located just around the corner from our office.
- We schedule appointments at specific intervals to minimize the number of people in the waiting room.
- We ask all clients to wait in their cars or in the Medical Arts building until no earlier than five (5) minutes before their appointment times.
- Areas that are commonly touched are thoroughly sanitized every hour.
- Physical contact is not permitted.
- Tissues and trash bins are easily accessible. Trash is disposed of daily.
- Common areas are thoroughly disinfected at the beginning of each day.
